RE: DOCKET NO. 1992-518-C  
ORDER NO. 2012-179  
FEBRUARY 29, 2012  
UTILITIES MATTER

**NAME CHANGE REQUEST**

**CPCN OF INMATE PHONE SYSTEMS CORPORATION**  
**Docket No. 92-518-C**

As directed in the above-referenced Commission Order, please consider this letter as a Name Change Request for the CPCN that was issued to Inmate Phone Systems Corporation ("IPS") to Inmate Communications Corporation ("ICC").

For the many years since this certificate was issued, the company conducted business under the IPS name. We inadvertently failed to inform the Commission of the name change that has been gradually undertaken over the years as we entered various other states and we would like to finalize that change now in South Carolina.

The confusion arose because, in attempting to meet its filing obligations with the Commission, the most recent Authorized Utility Representation Form was submitted under the ICC name. I would ask the Commission to accept that form as filed and to enter a Name Change in its records associated with the CPCN issued in Docket No. 92-518-C. There is no ownership change and the company's business has remained the same.

The secondary issue that was created is that ICC needs to file for a Certificate of Authority to operate as a foreign corporation with the South Carolina Secretary of State. As of this date, we have submitted that request through our official agent in South Carolina, CT Corp., and we will forward to the Commission's Staff the approval document when it is issued.

Hopefully, this will address the matters that were brought forward and that our request can be approved. If you require anything further, please advise.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen A. Edwards". The signature is fluid and cursive, with a long horizontal line extending from the end.
